

Dear Friends,

Thank you for all of your efforts in making the Arab American Heritage Council (AAHC) one of the leading ethnic, service organizations in Genesee County! Your support has helped ensure the legacy of several generations. Please know that we are extremely grateful for your foresight and generosity in preserving our rich culture.

Over the past 30 years, the AAHC has been responsible for partnering with many diverse local and regional organizations, also with concerned and dedicated individuals and businesses; all of whom share a common goal of celebrating our heritage and meeting the needs of our community. The needs are many and growing in Education, Cultural, Arts, Immigration and Citizenship Services, Health and Human Services, and Youth Initiatives. The AAHC is effectively delivering services in all of these areas and has been the organization of choice for Arab Americans in Genesee County, as well as the community at large.

In order for us to continue offering these and other vital community services, it is important that we continue to build partnerships with individuals, community leaders and contributors such as yourself who want to make a difference in our community. We are inviting you to join/renew your membership with the Arab American Heritage Council. You can make your contribution on-line or by mailing your check to:

Arab American Heritage Council
416. N. Saginaw Street
Suite 220
Flint, MI 48502

Your ongoing generosity is an absolute key to our success. With you as a partner, we can continue to preserve and celebrate our Arab heritage, support and unite all Arab Americans in the Greater Flint area, and contribute to the well being of the community. Please join in helping us make a significant difference in our community.

Respectfully yours,

Mona S. Sahourí
Executive Director
